Correct Answer: C

---

### QUESTION 4

A local philanthropic organization with a well-developed mission, vision and set of values has never had a Web site. The organization has hired Manuel to design a site. The president and directors of the organization want the mission, vision and values included in the site. This information is expressed as several paragraphs of text. What suggestion should Manuel offer?

- A. Suggest replacing the information with a company slogan.
- B. Rewrite the mission, vision and values as single, short phrases.
- C. Include the mission, vision and values in their entirety on the home page.
- D. Provide a top-level link to a page containing the mission, vision and values information.

Correct Answer: D

---

### QUESTION 5

Which of the following is one of the advantages that SWF (Flash) files bring to Web-based environments?

- A. SWF files are compressed, so files download quickly.
- B. SWF files use layers, so animation is linear and parallel.
- C. SWF files use vector images, so files can be easily modified.
- D. SWF files can stream images, so files can be uploaded quickly.

Correct Answer: A
