Physical Material Return The Physical Material Return Required check box displays on the Return Lines user interface. If you deselect this field, the return is considered an accounting only return. If you select this field, transactions are created for the physical return of the material. For returns that do not require physical return of material, shipment lines and reservations are not created. The transfer order line is set to a status of closed automatically, and the application does not update the shipped or received quantity. You can use the transfer order document for tax, accounting, and audit trail purposes. For returns that require physical return of material, shipment lines and reservations are created. You can pick, pack, and ship physical material returns.
