#### QUESTION 4

Which two are displayed on the user point of view bar within a financial report? Choose two.

- A. Dimensions that are tagged as type Time
- B. Dimensions that are tagged as type Account
- C. Dimensions not defined in a row, column, or page
- D. Dimensions in a row, column, or page that are flagged for the current point of view

Correct Answer: AD

A. Dimensions that are tagged as type Time are typically used to represent time periods, such as months or quarters, and are often displayed on the user point of view bar within a financial report.

D. Dimensions in a row, column, or page that are flagged for the current point of view are also displayed on the user point of view bar within a financial report. These dimensions are used to filter the data displayed in the report based on the user's preferences.
