QUESTION 1

You are a training administrator for your LearnCenter and are in the process of uploading a new SCORM course to your SFTP site. Upon accessing your SFTP client and trying to connect to your SFTP site, you are getting an error indicating that no connection could be established.

What could be the two reasons for this issue?

- A. You are trying to connect to your SFTP site via FTP instead of SFTP.
- B. You are using an unsupported SFTP client.
- C. Your IT department has suddenly blocked the SFTP port 22.
- D. You have entered an incorrect password.

Correct Answer: BD

QUESTION 2
