QUESTION 1

Identify the incorrect option about the commodity setup.

A. You can select transportation modes while defining a commodity.

B. You can link commodity with equipment types while defining a new commodity.

C. Specific temperature controls cannot be assigned while defining a commodity.

D. Incompatible commodities can be captured while defining a commodity.

Correct Answer: C

Besides linking commodities with equipment types, you can also select transportation modes for commodities, as well as specific temperature controls. Reference:
