- E. Use cloud hosting services to manage security configuration.

Correct Answer: AC

### QUESTION 5

DRAG DROP

Drag and drop the code to complete the curl query to the Umbrella Reporting API that provides a detailed report of blocked security activity events from the organization with an organizationId of "12345678" for the last 24 hours. Not all options are used.

Select and Place:

```
curl --include --header "Authorization: Basic %base64string%"
https://reports.api.umbrella.com/v1/ [ ] /
[ ] / [ ]
```

- |                          |                   |
|--------------------------|-------------------|
| 12345678                 | security-activity |
| security-activity-events | organizations     |
| organizationId           | security-events   |

Correct Answer:

```
curl --include --header "Authorization: Basic %base64string%"
https://reports.api.umbrella.com/v1/ organizations /
organizationId / security-activity
```

- |                          |                 |
|--------------------------|-----------------|
| 12345678                 |                 |
| security-activity-events |                 |
|                          | security-events |
