Help

Correct Answer:

Item 45 of 66

Time Remaining: 1:06:28

**Point and Click**

Click the Point and Click button to begin.

An employee resigned his position in your company today. You need to remove his user object in the tree. Click on the iManager option you would use to do this.

The screenshot shows the Novell iManager web interface. The title bar reads 'Point and Click' and 'Novell iManager'. Below the title bar is a 'Collection Owner Access' section with a toolbar containing icons for home, back, forward, search, and other functions. The main content area is divided into two panes. The left pane, titled 'Roles and Tasks', contains a list of administrative tasks: Archive / Version Management, Cluster Administration, DHCP, DNS, Dynamic Groups, eDirectory Administration, eDirectory Maintenance, File Access (NetStorage), File Protocols, Groups, Help Desk, and Install and Upgrade. The right pane, titled 'Novell iManager Version 2.0.2', displays a message: 'You are currently logged in as user **admin.SLC.DA** in the tree with Collection Owner access.' Below the message is a large, faint image of a mechanical part.

Click Next (or More) to continue.
