QUESTION 1

Refer to the exhibit.

Troubleshooting > Hardware Setup

Device Tests | CTX Tests

- Displays
- Cameras
- Speakers
- Microphones
- Presentation Devices
- Other Devices

Displays
During this test, you will be able to view and modify settings for your TelePresence System to optimize the accuracy of colors displayed.

When the test begins, each TelePresence screen will show a set of horizontal bars, representing grayscale under the current settings and its position relative to the other two.

Left | Center | Right
