### QUESTION 1

You teach an economics lesson about the effects of using price discount strategies.

During the class, you provide detailed sales statistics from a major national retailer.

Some of the students question the effectiveness of price discount strategies.

You want to demonstrate to the students that the strategies are cost-effective.

What should you do?

- A. Search the Internet for Web sites that contain more information about retail pricing strategies.
- B. Enter sample sales figures into a spreadsheet to model the effects of using price discount strategies.
- C. Search the Internet for teaching resources on retail pricing strategies.
- D. Email several retail management experts and ask them for examples of how they use price discount strategies.

Correct Answer: B

---
