QUESTION 3

HOTSPOT

Your company has a main office and a branch office. The main office is located in Montreal. The branch office is located in Seattle. The offices connect to each other by using a WAN link. The WAN link is congested during business hours.

Each office has a high-bandwidth connection to the Internet.

The network contains one Active Directory domain named contoso.com. The relevant servers in the domain are configured as shown in the following table.

Server name	Location	Role
Server1	Montreal	Microsoft System Center 2012 R2 Configuration Manager site server
Server2	Seattle	File server

You need to use Server2 to perform an operating system deployment. The solution must minimize the amount of bandwidth used on the WAN link during business hours. What should you do? To answer, select the appropriate options in the answer area.

Hot Area:

Answer Area

Site role to deploy:
- Branch distribution point on Server2
- Cloud distribution point
- Distribution point on Server2

QUESTION 4

HOTSPOT

Your company has a Microsoft Office 365 subscription.

From a network share, you plan to deploy Office 365 ProPlus to the client computers in a branch office by using the Office Deployment Tool. The share is located at \\Server1\Office.

Some of the users in the branch office are consultants who often work for extended periods in customer locations. All other users in the branch office work in the customer service department.

During testing, you discover that Internet traffic spikes excessively during the installation of updates.

From the Office Deployment Tool, you create a configuration file named Config1.xml for the consultants and you create a configuration file named Config2.xml for the customer service department.

You need to ensure that the Office applications on all of the client computers are updated regularly. The solution must minimize the amount of Internet traffic, whenever possible.

Which configuration file should you modify and which configuration element should you add to the configuration file? To answer, select the appropriate options in the answer area.
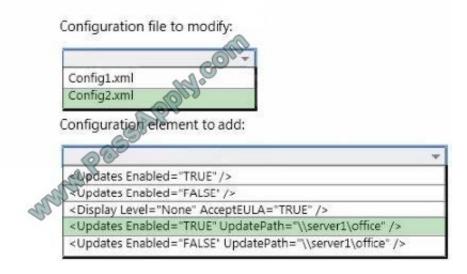

Hot Area:
