QUESTION 1

Reviews and verifies medical staff application data.

- A. Ethics Committee
- B. Joint Conference
- C. Credentials

Correct Answer: C

QUESTION 2

Copies of patient information may be disposed of in any garbage can in the facility.

- A. True
- B. False

Correct Answer: B

QUESTION 3

Integrated medical groups differ from IPAs in that.

- A. Physicians own their practices and office assets.
- B. Physicians become employees of an organization that owns the practice
- C. Physicians act as gatekeepers
- D. All of the above

Correct Answer: B

QUESTION 4

February 17, 2010 was the effective date for updated changes to HIPAA triggered by the Health Information Technology for Economic and Clinical Health Act (HITECH). As part of HITECH, what must providers who have clients who opt to self-pay do when those clients request the provider not inform their health care insurance provider?

- A. The provider has the option to not disclose the information to the health care insurance provider
- B. The provider must disclose the information anyway to the health care insurance provider
- C. The provider must not disclose the information to the health care insurance provider
- D. The provider must have the client sign a waiver freeing the provider from the compulsion to report to the provider

Correct Answer: C

The provider must not disclose the information to the health care provider under the new rules. Previously, the provider's compliance with the request was optional under HIPAA guidelines.

QUESTION 5

Each healthcare provider MUST have a document that describes how information about the client is used by the agency and when the agency will disclose/release it without the client's authorization.

A. True

B. False

Correct Answer: A
