- D. fixed-price project with completed percentage and sales value
- E. internal project with work in process (WIP)

Correct Answer: C

---

#### QUESTION 4

A company is preparing to deploy the Microsoft Dynamics NAV client to client computers. The deployment must meet the following requirements:

Users must be able to install the application on demand from the control panel.

The application must automatically install when a user opens a file that is associated with the application.

You need to create a Group Policy Object (GPO) and link it to the domain.

What should the GPO do?

A.

publish the application to all users

B.

assign the application to all users

C.

assign the application to all client computers

D.

publish the application to all client computers

Correct Answer: A

---

#### QUESTION 5
