QUESTION 1

Which of these are TYPICAL uses for extending P8 with subscription event handlers?

A. Generating nightly statistical reports of the numbers of documents using storage areas.

B. Checking a database partition for adequate space before storing large content.

C. Monitoring server environmental factors like temperature and power consumption.

D. Launching a workflow in response to a document creation, modification, or deletion.

Correct Answer: D

QUESTION 2

Which one of the following is TRUE with FileNet P8 folders?

A. You can create subclasses of the base folder class and add custom properties that are passed to new folders based on that class.

B. Folders can NOT participate in the event action subsystem.

C. Security must be the same on all folders.

D. Both B and C are true.

Correct Answer: A

QUESTION 3

Which one of the following is NOT a function of the FileNet Process Configuration Console?

A. Configure workflow subscriptions.

B. Configure the event logs.

C. Configure component queues.

D. Configure work queues.

Correct Answer: A

QUESTION 4

The CE has discoverable, self-describing meta data. Which of the following things can NOT be discovered through CE meta data?

A. The path to individual content elements stored in a file system.

B. The names of database tables and columns where custom property values are stored.

C. The hierarchy of document classes and the point in the hierarchy at which custom properties are added to classes.

D. Information about referential integrity checks that will be performed by the CE server when creating, updating, or deleting objects.

Correct Answer: A

QUESTION 5

What is the significance of F_Originator field in a work flow?

A. It is a special work flow group that represents the name of the user who launched the business process.

B. It is user defined data field which the work flow designer uses to represent the name of the user who will launch the business process.

C. A and B.

D. At launch time, the system assigns the name of the launch user to F_Originator.

Correct Answer: C
