- A. Facets view.
- B. Time Series view.
- C. Connections view.
- D. Deviations view.

Correct Answer: C

---

### QUESTION 2

Which one of the following elements has the least influence on an ICA Capacity Planning Spreadsheet?

- A. Number of documents per collection.
- B. Average document size.
- C. Document language.
- D. Largest document size.

Correct Answer: C

---

### QUESTION 3

The REST APIs have several benefits over the SI-API APIs. Which of the following statements is NOT correct about REST API benefits?

- A. Response formats include HTML, JSON and XML.
- B. Language independent, applications don't have to be written in Java.
- C. HTTP communication is the only required feature on the client application.
- D. All communications are in text format.

Correct Answer: A

---

### QUESTION 4

All of the following statements about annotators are true, EXCEPT for:

- A. A software component that performs specific linguistic analysis tasks and produces and records annotations.

- B. Are always independent of (i.e., do not rely on) other annotators in the document processing pipeline.
- C. Do the real work of extracting structured information from unstructured data.
- D. Annotators typically read from and write to the common analysis structure.
- E. May be collection specific, and are administered via the Configure document processing pipeline link on the Parse and Index tab.

Correct Answer: B

---

#### QUESTION 5

When you configure a collection, you can enable the system to automatically detect Terms of interest. Of the following statements, which one is INCORRECT?

- A. Terms of interest are only valid for text analytics collections.
- B. Similar to the Named Entity Recognition annotator, Terms of interest is only supported by a subset (EN, ES, DE, FR, JA) of the languages supported in ICA.
- C. Terms of interest are the relationships between nouns and nearby verbs and adverbs in the text.
- D. You can enhance the content analytics by including nouns identified in the terms of interest in a custom user dictionary.

Correct Answer: B
