### QUESTION 1

Alex is on an audio call and trying to multitask. The call window keeps getting into the way because it is staying on top of the screen.

What can Alex do to move the call window to the background?

- A. Inside the call window. Alex can click the "Hide" button.
- B. Alex must set the IBM Sametime preference for the chat window to "Reduce to task bar".
- C. Alex must uncheck the preference in the Voice and Video Call Window tab "Keep call window always on top".
- D. Since it is an audio call, it will always be on top so that the user can find it easily. There is no way to change this behavior.

Correct Answer: A

---

### QUESTION 2

Sandy is a new user to IBM Sametime. She noticed that several of her colleagues have their location inside their Sametime status.

How can Sandy add her city location to her Sametime business card?

- A. Sandy must append her location to her Sametime status message.
- B. No steps are needed since the client can automatically detect her geographic location.
- C. Sandy must have the administrator configure the locations feature on the server she is using.
- D. Sandy must set the preference in her client "Share my location with other users." Then she must complete the location fields.

Correct Answer: D

---
