QUESTION 1

In relation to third countries and international organizations, which of the following shall, along with the supervisory authorities, take appropriate steps to develop international cooperation mechanisms for the enforcement of data protection legislation?

- A. The European Parliament
- B. The Council of the European Union.
- C. The designated Data Protection Officers
- D. The European Commission

Correct Answer: D

QUESTION 2

Which statement provides an accurate description of a directive?

- A. A directive specifies certain results that must be achieved, but each member state is free to decide how to turn it into a national law
- B. A directive has binding legal force throughout every member state and enters into force on a set date in all the member states.
- C. A directive is a legal act relating to specific cases and directed towards member states, companies and private individuals.
- D. A directive is a legal act that applies automatically and uniformly to all EU countries as soon as it enters into force.

Correct Answer: B

QUESTION 3

SCENARIO

Please use the following to answer the next question:

ABC Hotel Chain and XYZ Travel Agency are U.S.-based multinational companies. They use an internet-based common platform for collecting and sharing their customer data with each other, in order to integrate their marketing efforts.

Additionally, they agree on the data to be stored, how reservations will be booked and confirmed, and who has access to the stored data.

Mike, an EU resident, has booked travel itineraries in the past through XYZ Travel Agency to stay at ABC Hotel Chain's locations. XYZ Travel Agency offers a rewards program that allows customers to sign up to accumulate points that can

later be redeemed for free travel. Mike has signed the agreement to be a rewards program member.

Now Mike wants to know what personal information the company holds about him. He sends an email requesting access to his data, in order to exercise what he believes are his data subject rights.

What is the time period in which Mike should receive a response to his request?

- A. Not more than one month of receipt of Mike's request.
- B. Not more than two months after verifying Mike's identity.
- C. When all the information about Mike has been collected.
- D. Not more than thirty days after submission of Mike's request.

Correct Answer: A

QUESTION 4

What is one major goal that the OECD Guidelines, Convention 108 and the Data Protection Directive (Directive 95/46/EC) all had in common but largely failed to achieve in Europe?

- A. The establishment of a list of legitimate data processing criteria
- B. The creation of legally binding data protection principles
- C. The synchronization of approaches to data protection
- D. The restriction of cross-border data flow

Correct Answer: C

QUESTION 5

Since blockchain transactions are classified as pseudonymous, are they considered to be within the material scope of the GDPR or outside of it?

- A. Outside the material scope of the GDPR, because transactions do not include personal data about data subjects in the European Union.
- B. Within the material scope of the GDPR but outside of the territorial scope, because blockchains are decentralized.
- C. Within the material scope of the GDPR to the extent that transactions include data subjects in the European Union.
- D. Outside the material scope of the GDPR, because transactions are for personal or household purposes

Correct Answer: C
