

# CPSA-FL<sup>Q&As</sup>

ISAOB Certified Professional for Software Architecture - Foundation Level (CPSA-FL)

## Pass ISQI CPSA-FL Exam with 100% Guarantee

Free Download Real Questions & Answers **PDF** and **VCE** file from:

<https://www.passapply.com/cpsa-fl.html>

100% Passing Guarantee  
100% Money Back Assurance

Following Questions and Answers are all new published by ISQI Official Exam Center

- ⚙️ **Instant Download** After Purchase
- ⚙️ **100% Money Back** Guarantee
- ⚙️ **365 Days** Free Update
- ⚙️ **800,000+** Satisfied Customers

**QUESTION 1****HOTSPOT**

Which characteristics of a building block are only visible in the whitebox view, and for which characteristics does the blackbox view suffice? (Assign all answers.)

Hot Area:

**Blackbox Whitebox**

- |                       |                       |  |
|-----------------------|-----------------------|--|
| <input type="radio"/> | <input type="radio"/> | A) Public interfaces of the building block   |
| <input type="radio"/> | <input type="radio"/> | B) Test coverage based on unit tests for sub building blocks contained in the building block |
| <input type="radio"/> | <input type="radio"/> | C) Test coverage based on integration tests  |
| <input type="radio"/> | <input type="radio"/> | D) Code structure of the building block  |
| <input type="radio"/> | <input type="radio"/> | E) Algorithms used in the building block   |
| <input type="radio"/> | <input type="radio"/> | F) Security requirements of the building blocks  |
| <input type="radio"/> | <input type="radio"/> | G) Implementation details for the security requirements of the building blocks               |
- 

Correct Answer:

**Blackbox Whitebox**

- |                                  |                                  |  |
|----------------------------------|----------------------------------|--|
| <input checked="" type="radio"/> | <input type="radio"/>            | A) Public interfaces of the building block   |
| <input type="radio"/>            | <input checked="" type="radio"/> | B) Test coverage based on unit tests for sub building blocks contained in the building block |
| <input checked="" type="radio"/> | <input type="radio"/>            | C) Test coverage based on integration tests  |
| <input checked="" type="radio"/> | <input type="radio"/>            | D) Code structure of the building block  |
| <input type="radio"/>            | <input checked="" type="radio"/> | E) Algorithms used in the building block   |
| <input checked="" type="radio"/> | <input type="radio"/>            | F) Security requirements of the building blocks  |
| <input type="radio"/>            | <input checked="" type="radio"/> | G) Implementation details for the security requirements of the building blocks               |
- 

**QUESTION 2****HOTSPOT**

Which statements with regard to project objectives and architectural objectives are true and which are false? (Assign all

answers.)

Hot Area:

true

false

☐☐

A) Architectural objectives and project objectives need to be identical.

☐☐

B) Most of the time, architectural objectives are of a more long-term nature than project objectives.

☐☐

C) Architectural objectives and project objectives need to be negotiated between the concerned parties.

☐☐

D) Architectural objectives are a subset of project objectives.

Correct Answer:

true

false

☐☒

A) Architectural objectives and project objectives need to be identical.

☒☐

B) Most of the time, architectural objectives are of a more long-term nature than project objectives.

☐☒

C) Architectural objectives and project objectives need to be negotiated between the concerned parties.

☐☒

D) Architectural objectives are a subset of project objectives.

### QUESTION 3

HOTSPOT

How does management and architects work together? Decide which statements are true and which are false. (Assign all answers.)

Hot Area:

true

false

☐☐

A) The project plan from management is influenced by architectural decisions.

☐☐

B) Cost estimates are primarily the responsibility of the architect.

☐☐

C) Architects advise project management on the definition of work packages.

☐☐

D) Management and architects cooperate on handling of technical risks.

Correct Answer:

true

false

☐☒

A) The project plan from management is influenced by architectural decisions.

☐☒

B) Cost estimates are primarily the responsibility of the architect.

☐☒

C) Architects advise project management on the definition of work packages.

☒☐

D) Management and architects cooperate on handling of technical risks.

**QUESTION 4****HOTSPOT**

Which of the following aspects are more of a domain-related nature, and which more of technical nature? (Assign all answers.)

Hot Area:

**more technical****more domain-related**☐☐

A) Choosing a database

☐☐

B) Modelling a banking account

☐☐

C) Legal constraints for the execution of a money transfer

☐☐

D) Choosing a layout manager in a GUI

☐☐

E) The average number of methods per class

☐☐

F) Specification of a calculation formula

Correct Answer:

**more technical****more domain-related**☐☒

A) Choosing a database

☒☐

B) Modelling a banking account

☒☐

C) Legal constraints for the execution of a money transfer

☒☐

D) Choosing a layout manager in a GUI

☐☒

E) The average number of methods per class

☒☐

F) Specification of a calculation formula

**QUESTION 5**

What do you have to take into account when designing external interfaces? (Choose three.)

- A. Volatility of neighbouring systems
- B. Adequate usage of the broker pattern
- C. Protocols enforced by neighbouring systems
- D. Expected amount of parallel calls
- E. Ease of implementation
- F. Effect on the coupling in the building block view

Correct Answer: CEF
