-  **365 Days** Free Update
-  **800,000+** Satisfied Customers

### QUESTION 1

After initial OS and application installation on a laptop, an application warns that it will only work 24 more times. Which of the following should be done NEXT?

- A. The application has to be registered to the user.
- B. The application must be upgraded to a 64-bit version.
- C. The application must be activated.
- D. The application needs to be reinstalled.

Correct Answer: C

---

### QUESTION 2

Which of the following is the bandwidth of an SCSI Ultra2 Wide I/O port?

- A. 50 MBps
- B. 160 MBps
- C. 320 MBps
- D. 80 MBps

Correct Answer: D

The SCSI Ultra2 Wide I/O port has a bandwidth of 80 MBps. Small Computer System Interface (SCSI) is the second most popular drive interface in use today after the Integrated Drive Electronics (IDE) interface. SCSI is faster than IDE and

supports more devices.

SCSI devices, such as hard disk drives and CD-ROM drives, are better suited to a network environment in which many users access shared drives simultaneously. SCSI has three standards: SCSI-1, SCSI-2, and SCSI-3.

Answer option A is incorrect. The IEEE 1394a S400 I/O port has a bandwidth of 50 MBps. Answer option B is incorrect. The SCSI Ultra3 I/O port has a bandwidth of 160 MBps. Answer option C is incorrect. The SCSI Ultra4 port has a bandwidth of 320 MBps.

---

### QUESTION 3

Which of the following statements about High-Definition Multimedia Interface (HDMI) are true?

Each correct answer represents a complete solution. Choose two.

- A. It is capable of delivering the highest quality digital video and multi-channel digital audio on a single cable.
- B. It is an interface primarily used to connect hard disk and CD drives in a computer.
- C. It is a new I/O bus technology that has more bandwidth than PCI and AGP slots.
- D. It has two types of connectors: Type A and Type B.

Correct Answer: AD

HDMI stands for High-Definition Multimedia Interface. It is a standard, uncompressed, and all-digital audio/video interface. HDMI is capable of delivering the highest quality digital video and multichannel digital audio on a single cable. It provides an interface between any audio/video sources, such as a DVD player or a computer and a digital television (DTV) or video monitor. HDMI transmits all ATSC HDTV standards and supports 8-channel digital audio, with extra bandwidth to accommodate future enhancements. HDMI has two types of connectors: Type A and Type B. Type A and Type B connectors use 19 pins and 29 pins, respectively. The Type B connector is designed for very high-resolution displays that are expected in near future. Answer option B is incorrect. Integrated Digital Electronics (IDE) is an interface primarily used to connect hard disk and CD drives in a computer. Answer option C is incorrect. PCI Express (PCIe), also known as 3rd Generation I/O (3GIO), is a type of computer bus. It is a new I/O bus technology that has more bandwidth than PCI and AGP slots. It uses two low-voltage differential pairs, at 2.5Gb/s in each direction. It is designed to replace PCI and AGP expansion slots. The bus is available in several different bus widths: x1, x2, x4, x8, x12, x16, and x32. PCIe is able to transfer data in both directions at a time. PCIe hardware will work on operating systems that support PCI. Reference: "<http://en.wikipedia.org/wiki/HDMI>"

#### QUESTION 4

A user, Ann, is concerned about theft of her laptop and does not want a thief to have easy access to all of her banking and email. Which of the following precautions could be taken to mitigate this issue?

- A. Only browse the Internet on WiFi connections that use WPA2
- B. Turn off the guest account in the operating system
- C. Disable autofill functionality within the web browser
- D. Remove any legacy browsers from the computer

Correct Answer: C

---

#### QUESTION 5

The manufacturer of a SOHO router has released a security fix for the router.

Which of the following methods should be used to apply the fix?

- A. Change the admin password.
- B. Apply new WEP key.
- C. Update the firmware.

D. Hold the reset button.

Correct Answer: C
