A. the Kill Chain

B. the Destructor

C. the Internal Emergency Response Team

D. Detect it; Contain it, Stop it
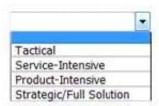

Correct Answer: A

QUESTION 4

Match the opportunity types with the characteristics of customs.

use technology as a competitive advantage; mature development shops; largest strategic customers

slow technology adopters; traditional large "Brick and Mortar" with small development-to-employee ratio, but for whom security is still vital (IP, brand protection)

decentralized, hard-to-mandate development teams; technology is core business; often early adopters

testers or vulnerability list generators and small ISVs with no comprehensive SSA needs
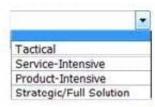

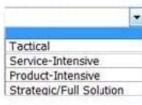

Hot Area:

use technology as a competitive advantage; mature development shops; largest strategic customers
