QUESTION 1

Is this one of the default base attributes in the Okta user profile that can be marked as required or optional for Okta mastered users?

Solution: firstName

A. Yes

B. No

Correct Answer: B

Explanation: Okta has defined 31 default base attributes for all users in an org. These base attributes are generally fixed and cannot be modified or removed. There are two exceptions: First Name and Last Name. These two attributes can be marked as required or optional for Okta and Active Directory (AD)-mastered users. The default setting for new AD instances is that first and last name are required.
