Correct Answer: B

---

### QUESTION 5

A Systems Engineer is the administrator of a self-hosted Prisma Cloud console. They upgraded the console to the latest version. However, after the upgrade, the console does not show all the policies configured. Before they upgraded the console, they created a backup manually and exported it to a local drive. Now they have to install a Prisma Cloud to restore from the backup that they manually created.

Which Prisma Cloud version can they can restore with the backup?

- A. Any version of Prisma Cloud Self-Hosted Console

- B. The same version of the Prisma Cloud Self-Hosted Console that the backup created
- C. Up to N-2 versions of the Prisma Cloud Self-Hosted Console that the backup created
- D. The latest version of Prisma Cloud Self-Hosted Console

Correct Answer: C
