### QUESTION 2

Given the context of the word, what might harrowing mean in sentence 6 of the passage?

As young children, we are taught to read. From a tender young age, we are read to at bedtime, serenaded by a mother or father's voice. As time goes on, we learn to read ourselves. In kindergarten, or even before, we come to understand the meaning of words on a page and how they are significant. As children grow up, however, many fail to foster a love of or appreciation for reading, instead labeling it as a school-time activity or a source of stress. Reading comes to be regarded as harrowing, tedious, and for many is only engaged in for the purpose of receiving a passing grade. However, those who wish to develop their communication skills may want to take a closer look; reading regularly has been shown to not only improve one's writing skills, but to also assist in verbal communication and increase understanding of verbal and facial cues. Reading, then, should not be regarded as a chore or an insurmountable obstacle, but as a crucial aspect of learning how to deal with others and how to express oneself.

- A. simple, easy
- B. distressing, difficult
- C. troubled, juvenile
- D. foolhardy, uncouth

Correct Answer: B

---

### QUESTION 3

#### QUESTION 4

Passage 1 "It is obvious that the legal driving age in the United States needs to be adjusted. Although the driving age has been sixteen for many years, studies show that kids of such a young age are not yet capable of understanding the deep responsibility that comes with operating a motor vehicle. Sixteen-year-olds, while old enough to see R-rated movies, are still children in many ways. Psychologists agree that people of this age do not have the cognitive awareness to make major life decisions, yet operating a vehicle on the road forces them to do just that. If the driving age were to be raised to eighteen, there would be far fewer accidents and casualties on the American roadways. People must understand that sixteen-year-old drivers are a danger to themselves and others when allowed to drive unsupervised."

Passage 2 "The legal driving age in the United States has remained the same for many years for one primary reason: it is fair and reasonable. While young, sixteen-year-olds are certainly old enough to undertake the responsibility of driving alone. Because these teenagers are made to practice for a year with a learner's permit and then to pass a test proving their skills, there is no reason to suggest that they cannot handle a motor vehicle effectively. Those that assume that sixteen is too young to drive often forget to consider the large number of responsibilities teenagers already handle on a day-to-day basis in today's world. Things like homework, after-school activities, family responsibilities, and social events all must be carefully maintained in order to make life work. If a sixteen-year-old can handle these daily responsibilities, they can certainly handle driving a car. The legal driving age is fair and should not be negotiated, now or ever."

Which statement best evaluates the author's point of view in the second passage?

- A. It would be best to lower the legal driving age.
- B. The best age at which a person can drive should be decided on a case-by-case basis.
- C. The current legal driving age is adequate.
- D. It would be best to raise the legal driving age.

Correct Answer: C

#### QUESTION 5

Far from exercising a counter influence to intellectual orthodoxy, the movement itself has become a center of \_\_\_\_\_.

- A. conformity
- B. notoriety
- C. enmity
- D. theology
- E. idealism

Correct Answer: A

The use of the phrase "far from" becoming a challenge to "intellectual orthodoxy" implies that the new movement has also become something similar to such orthodoxy. Among the choices, it is the word "conformity" which is closest to the

word "orthodoxy." So, "conformity" is the answer.
