QUESTION 1

Arthur is interested in selling his car and calls the local paper to place his vehicle's "for sale" article.

Which portion of the newspaper should Arthur ask to speak to?

- A. the local news section
- B. the classifieds section
- C. the sports section
- D. the upcoming events section

Correct Answer: B

QUESTION 2

What is the purpose of a footnote?

- A. to refer to another point in the text
- B. to provide additional commentary or a reference
- C. to provide a space for reader commentary
- D. to refer back to another chapter in the work

Correct Answer: B

QUESTION 3

Some travelers from United States experience culture shock when they suddenly find themselves in a place where "yes" may mean "no" where a fixed price is _____, where laughter may signify _____.

- A. alterable; joy
- B. unchangeable; insult
- C. sovereign; merriment
- D. incalculable; harmony
- E. negotiable; anger

Correct Answer: E

QUESTION 4

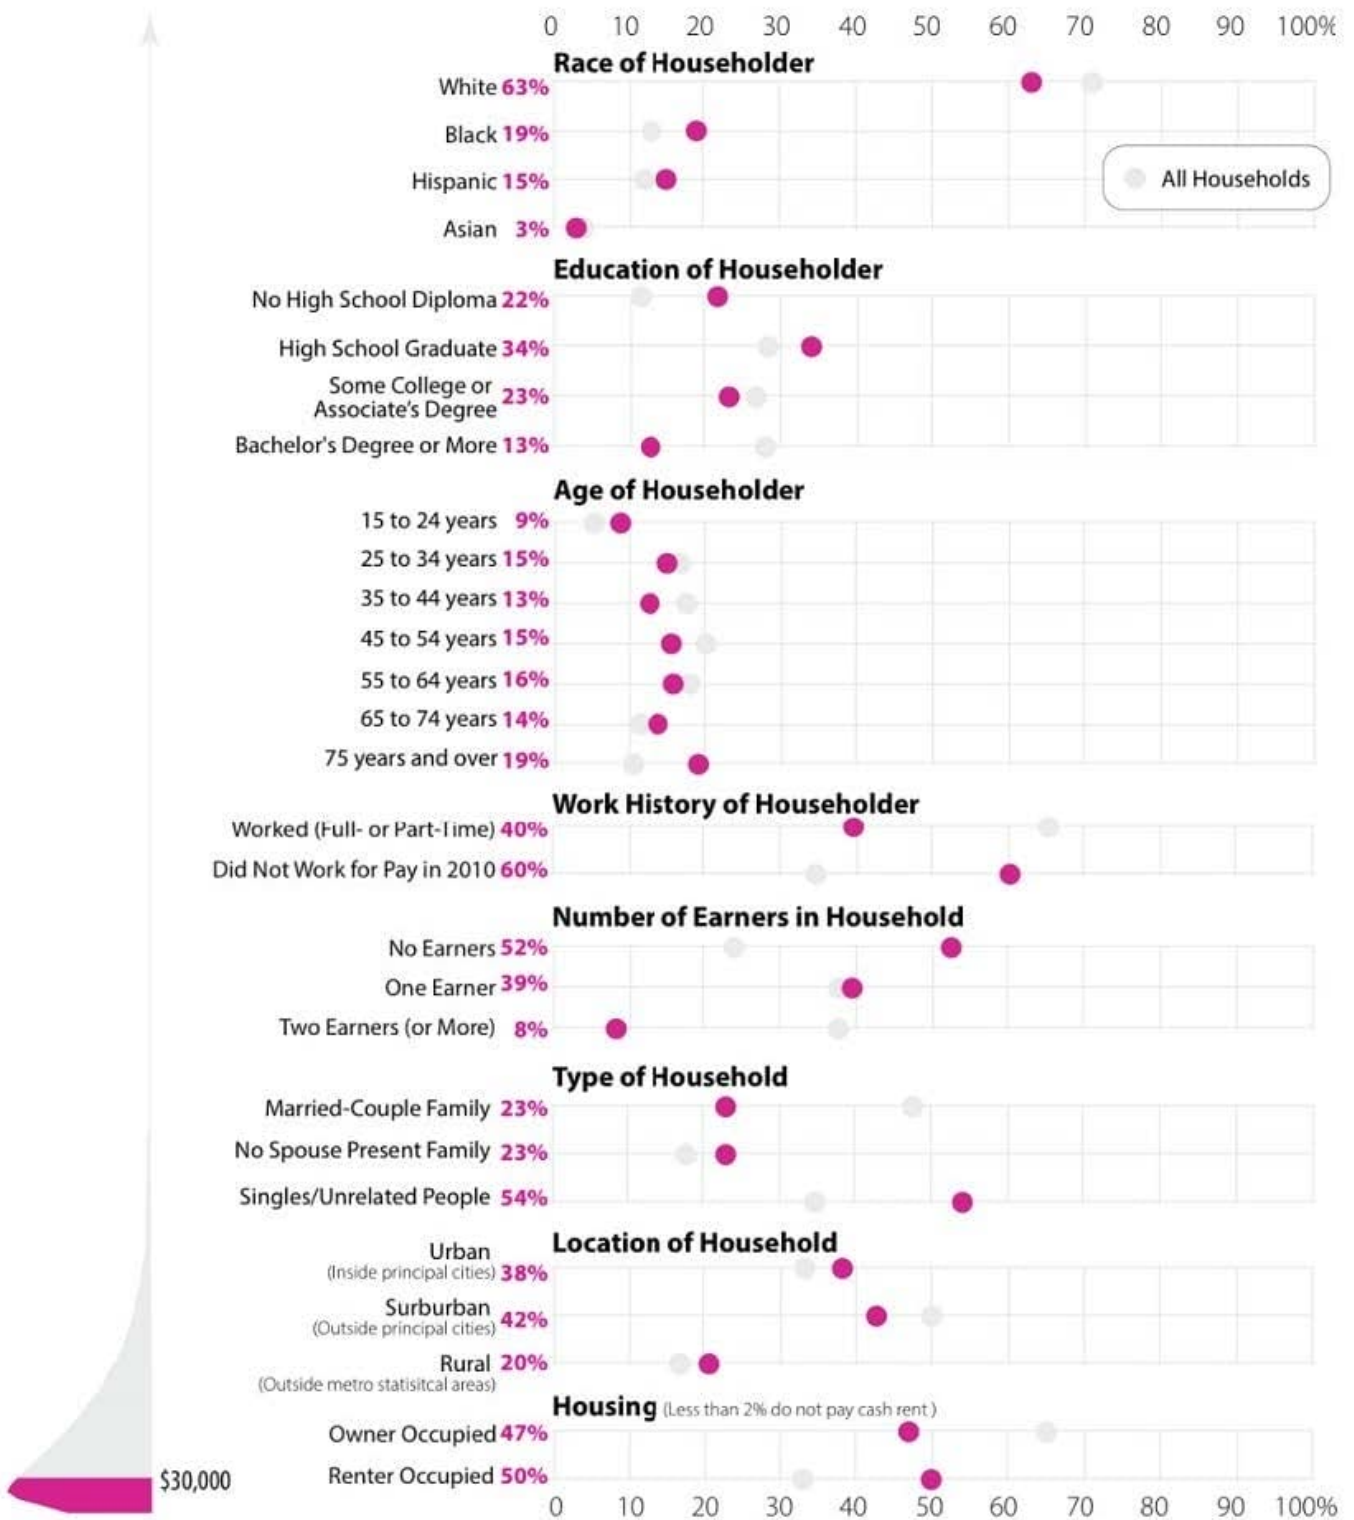

The grave problems that affected him were the purely _____ ones of hunger, pain and fatigue.

- A. physical
- B. imaginary
- C. irrelevant
- D. hereditary
- E. coincidental

Correct Answer: A

Hunger, pain and fatigue cannot be described as "imaginary", or "irrelevant", or "hereditary", or "coincidental" problems. They can best be described as "physical" problems. So, "physical" is the answer.

QUESTION 5

VisualizingEconomics.com

Source: US Census Bureau, 2006–2010 American Community Survey

According to this 2010 United States Census chart, a variety of types of people earned incomes less than \$30,000 per year.

What percentage of people who earned below \$30,000 in 2010 had no college experience?

A. 79%

B. 22%

C. 13%

D. 56%

Correct Answer: D
