### QUESTION 10

#### SCENARIO

Correct Answer: D

The reason why Good Mining Private's standard form is NOT compliant with Singapore's data protection law is option D, as it asks for details that are not relevant to the job Delilah is applying for. Singapore's Personal Data Protection Act (PDPA) requires that organizations only collect, use, and disclose personal data for purposes that are reasonable and relevant. Asking for information such as emergency contacts, medical history, blood type, and insurance policy is not necessary or relevant to Delilah's job application in the marketing department. Therefore, it is considered excessive collection of personal data, which is a violation of the PDPA. Additionally, the collection and use of Delilah's business card for purposes other than what was explicitly agreed to by Delilah, which was to contact her for coffee, may also be a violation of the PDPA.
